Quality Assessment Management Accreditation Scheme (QAMAS) 優質評核管理認證計劃

LCKPS has successfully obtained the “Quality Assessment Management Accreditation Scheme (QAMAS)” from the Hong Kong Examination Assessment Authority (HKEAA).

It endorses the professionalism and commitment of schools with the capacity to provide quality examination and assessment management, and recognizes schools that excel in delivering high quality examinations and adopting good assessment practices.

本校成功獲得考評局頒發「優質評核管理認證計劃」認證，嘉許本校已達優質評核管理的要求及願意承擔，肯定本校為提供優質考評管理之努力。

Professional Partnerships 專業伙伴

Our school has partnered with the Education Bureau and different universities to develop a school-based curriculum, which contribute to quality teaching and students' learning effectiveness.

本校與教育局及不同大專院校成為合作伙伴，發展校本英文課程，確保課堂的學教質素，裨益學生。

Nurturing Students' Interest In Reading English Books 培養學生閱讀英語圖書的興趣

Our students' reading abilities are enhanced under the PEEGS (Promoting Effective English Language Learning) grant scheme from the Standing Committee on Language Education and Research, SCOLAR. In addition to cross-curricular e-book reading, students can find tailor-made English books through the Lexile Framework for Reading.

本校成功申請語文教育及研究常務委員會的促進小學英語學習津貼，以提升學生英語閱讀的能力。透過本計劃，學生除了能閱讀跨學科英語電子書外，同時可通過一套國際認可的閱讀能力分階“藍思”(Lexile)系統，選取適合自己閱讀程度的英語圖書，讓學生愛上閱讀。

Our school arranges foreign English teachers to conduct "after-school English reading activities" in order to share the fun of reading English books with students.

學校安排外籍英語老師為學生進行課後英語閱讀活動，與學生一同分享閱讀英文圖書的樂趣。

We have a well-stocked library with a magnificent collection of English books. Our school also provides an English reading corner, Solomon Storyland, which provides different levels of English books for students to read in their spare time.

圖書館內的英文圖書藏書量豐富，另特設所羅門英語故事世界，放置不同程度的英文書籍，供學生閒餘時閱讀。

An English Rich Learning Environment 濃厚的英語學習氛圍

Supported by the Lutheran Church – Hong Kong Synod, American missionaries and gospel preachers visit our school every year to assist with English gospel activities. Students are exposed to Western culture, which nurtures their beliefs in God and enhances their English.

本校獲香港路德會支持，每年均會派遣外籍義工隊及宣教隊到校，協助學校舉辦英語及宗教活動，並於寒假及暑假舉行英語福音營，促進文化交流，讓孩子自小培養良好的信仰基礎，增加學生聽說地道英語的機會。

Both NET and ELTA can enhance the teaching of the English language and expose the students to a native English-speaking environment, especially the development of listening and speaking skills.

本校有兩位英語外籍老師為學生提供正規的英語增潤課程，強化學生的英語聽說能力。
