Subject: My Leisure Activities

Dear Annie,

How are you? What do you do in your leisure time? Let me tell you about my leisure activities.

My favourite activity is dancing. On Mondays, I dance with Ann at home. We need to prepare a bottle of water for ourselves because we need to drink water when we are thirsty. The next one I want to share with you is singing. Dan and I sing in the park every day after school. We sing very well. I usually buy a bottle of juice from the store because my throat becomes dry after singing.

My third favourite activity is swimming. I have swimming class at school with Coco on Saturdays. We need to take some biscuits with us because we always feel hungry after the class.

I like these three activities very much because they are fun, relaxing and healthy. How about you? Write back soon!

Yours,

Joyce

Subject: My Leisure Activities

Dear Annie,

How are you? How's your school life? What leisure activities do you enjoy when you are free? Let me tell you something about my leisure activities.

My favourite leisure activity is playing football. My brother does this with me. We do this activity in the park near our home. We think it is interesting. We do this activity every day after dinner. I need to bring water just in case I feel thirsty.

My second favourite leisure activity is going roller skating. I think it is a fun activity. I do this in the stadium nearby. Mum usually goes there with me. We go there twice a week. Mum helps me bring some snacks because I often feel hungry after doing this activity.

The third one I want to talk about is playing badminton. I practice badminton with my sister at school. We like this activity because it is exciting. We do it three times a week. We must remember to bring our rackets.

That's all for my favourite leisure activities. How about you? Can you tell me more about your favourite leisure activities? I'm looking forward to your reply!

Cheers,  
Joyce

# Festival celebrations

**Class: P.4C    Name: Sin Chun Wai, Jacky    Class No.: 18**

Dear Kate,

How are you? How's your life in England? Is it cold in October? Halloween is coming soon and I am so glad! I want to tell you how I celebrate my favourite festival every year.

At Halloween, I go trick or treating with my friends. My brother and I also wear costumes.

We play scary games and tell ghost stories at home. It makes us scared. At night, my parents always make a pumpkin lantern for me. It is very beautiful.

I like Halloween because it's so enjoyable! Do you celebrate Halloween in England? What's your favourite festival?

Please write back.

Love,

Peter

On Christmas day, I exchange Christmas gifts with my friends. Then, I have Christmas dinner with my family.

I love Christmas because it is relaxing, fun and joyful. What's your favourite festival?

**Class: P.4D    Name: Tse Ching Tung, Boaz    Class No.: 21**

Dear Jenny,

Hi! How are you?

There will be an Easter party at my school next Sunday because Easter is coming. All of my schoolmates and teachers can join the party.

First, I will buy some party food because it is the most important thing. I will buy plenty of vegetables, a few chicken nuggets and some candy eggs.

Second, I will hold an egg hunt. Students can hide their eggs and other students can find them. It will be a great game!

After that, students will have lunch in the playground and watch movies in the hall.

I am sure it will be a great day! I am really excited for that day. I hope you can join us too.

Love,

Nancy

## **In a wonderland**

**Class: P.4E    Name: Wong Zita    Class No.: 24**

Last week, Bob was in a wonderland. He saw a rainbow, some flowers and many cute animals there. He felt excited. Bob went closer to a mountain, he saw a waterfall and a cave near it. There was a lake and a beautiful rainbow in the sky too. He felt shocked but happy. Suddenly, it was raining in the wonderland. A monster was coming by. The monster was destroying the flowers and scared away many animals. All the animals were scared, so they all ran away quickly. Bob was scared too. The rain stopped all of a sudden. The monster went away accordingly.

Bob felt sad because the lovely flowers were destroyed and the animals were all scared away. An empty wonderland remained.

Last week, Bob entered a wonderland by accident. Bob saw a rainbow, a lot of flowers and some animals there. He felt excited.

Bob kept walking until he got tired. He sat down and rested by the tranquil lake. He saw a mountain, a waterfall and a cave. He sighed, knowing that his city was not as beautiful and clean as this one. Bob said to himself, "When I go back, I will make our city better!"

Suddenly, a monster came in and the weather turned bad. Bob was afraid. He ran to the cave nearby the lake.

At the same time, a superman miraculously appeared. He saved Bob and killed the monster.
