Max joined the Bible Class

Class: 3A Name: Chan Hoi Yan

Max is my classmate. He is an active and energetic boy. One day, he surfs the Internet at home while he sees a very interesting website.

He sees many interesting after school classes on the web pages. He likes music and making models, but he does not like playing online games or playing football. He always has interests in music, so he is happy to see some music classes such as the violin class and the drums class. He likes Lego, so he wants to join the Lego club too!

After a while, he noticed a web page showing the cover of the Bible. He clicked in and found out that it was really interesting! At the very top of this page says that 'It's important to study the Bible because God's Word guides you in the right direction in life.' He couldn't agree more, so he made his decision. He joined the Bible class because he wants to know more Bible stories and gets stronger with God's love.

He feels really satisfied and delighted! What a fruitful day!

A talent show

Class: 3C Name: Law Shing Yan Alice

Two days ago, I watched a talent show with my friends in Tuen Mun Town Hall. We watched an amazing show. Jimmy did magic tricks. He was clever and friendly. All the audience clapped their hands because it was amazing.

Next, Mary sang a song. She was beautiful. I was excited. Mary was shining and her performance was moving. After that, it was my performance. It was a dance.

When I was ready to go out, suddenly, the light went out. The show was in darkness. It turned out that the stage suddenly accidentally blinked. I prayed, ' Loving God, please grant me peace of mind and calm my heart,' then I waited for the light and continued my best to perform.

A day in the country park

It was the school picnic yesterday. My family and I went to the country park. I felt excited. First, we played hide-and-seek. Then, we ate sandwiches and chicken wings on the mat. Later, we had a walk in the park because it was my first time going to the country park. Suddenly, I got lost. I did not know what to do and then I prayed to God and hoped someone could help me. Luckily, my Dad heard my voice and found me. 'I must not let you alone,' he said. I was grateful because I was not worried and lonely at last. Thank you God! Thank you my Dad! I have a sweet home!

A personal reCount about a talent show

Class: 3E Name: Ho Chun Nam Jasper

By Sandy

Last Sunday, I joined the talent show with my classmate at the school hall. When I arrived at school, I met my teacher. "Another year older is also another year of learning to pray, to love, and to feel God's grace. Happy birthday!" she said.

Next, Mary sang songs on the stage. She was beautiful. All the audience clapped their hands because they liked Mary's performance. Her performance was amazing.

Then, it was my turn. I played the violin on the stage. Suddenly, the lights went out. I felt afraid.

Finally, my classmates turned on the lights and sang birthday songs to me. I felt happy and surprised. What an exciting day!
